## Education

**Utthan Shambhunath Institute Of Engineering College**             Prayagraj, UP
*Bachelor of Computer Application* (*BCA*)                    *Aug. 2023 – May 2026*

**KSY Inter College**                             Pratapgarh, Up
*Higher Secondary*                          *Apr. 2021 – May 2023*

## Summary

Dedicated BCA student skilled in Frontend and Full-Stack Development with expertise in React.js, Next.js, Node.js, JavaScript, SQL, and Tailwind CSS. Passionate about building scalable and user-friendly web applications.

## Experience

**Frontend Developer Intern – Code Alpha Pvt. Ltd.**             01/12/2024 – 30/12/2024
*Remote|Online  mode*

Built a To-Do List Application using HTML, CSS, and JavaScript with features like add, delete, and mark tasks as completed. Developed an Image Gallery Web App with functional buttons, input handling, and error validations.

**C++ Programming Intern – Code Soft Pvt. Ltd.**             10/12/2024 – 10/01/2025
*Remote|Online  mode*

developed a Calculator in C++ for basic arithmetic operations and a Voting Eligibility program using conditional statements. These projects enhanced my problem-solving skills and practical understanding of C++ fundamentals.

## Projects

**Swiggy Clone** | *JavaScript, React, Tailwind-Css ,Git*             June 2025 – Present

- Developed a web application using with APIs with React as the frontend
- Implemented food cards using grid
- Developed a food delivery web app replicating Swiggy's core UI
- Deployed on vercel for fast and reliable hosting

**RazorPay Clone** | *JavaScript, Html, Git, Vercel*             Feb 2025 – May 2025

- Built a responsive clone of Razorpay with modern UI/UX
- Developed reusable components and implemented dynamic routing
- Build a responsive payment platform UI replicating Razorpay
- Deployed on Vercel  ensuring fast and reliable builds

## Technical Skills

**Languages**: C, C++, SQL , JavaScript, HTML, CSS
**Frameworks**: React.js, Node.js, Tailwind-CSS, Next.js
**Developer Tools**: Git, Google Cloud Platform, VS Code, Visual Studio, Vercel,
**Soft Skills**: Communication Skills, Problem-Solving, Time Management, Team Work

## Certifications

- Software Engineering Job Simulation – Accenture(Forage) - (jan 2025)
- Generative AI – Next Wave (May 2025)
- SQL Certificate – Alison (Sep 2024)
